Re: MONTRIEF/MUNOZ 730 E.C. EVALUATION

Dear Ms. Brace and Ms. Shepard:

When I met Mr. Montrief on today's date, and discussed with him my payment policies, it became apparent that he did not have the ability to satisfy these requirements.

I therefore did not proceed with the evaluation, and told him that he should instead find a 730 evaluator whose payment policies he is able to accommodate.

I therefore shall consider my participation in this matter as terminated.

Respectfully yours,

David J. Sheffner, M.D.
